

Conditions & Restrictions: Keep in mind that you own the materials until the landfill or transfer station accepts them.

If any of the following restricted items are in the bin, we will not remove them from the bin or remove the bin from your site. You will be notified of restricted items and assessed a trip fee.

- Our equipment is not designed to take concrete, soil, rocks, **shingles, or any other heavy materials. Do Not Place These Items in the dumpster. If the load is too heavy we will not remove the dumpster and will need to be unloaded.
- Lead acid batteries are not accepted; these generally can be taken to any auto parts store.
- Televisions and other electronics are NOT allowed. There is an up to \$100 charge per unit.
- Food Waste* – Food waste is not accepted at most locations.
- Liquid Waste- All Liquids are prohibited from landfills to include wet paint and automobile fluids. Paint is accepted in dry form only; it can be poured on to carpet or cardboard to dry or mixed with kitty litter or cement to harden. If wet paint is discovered there will be a \$20 disposal fee per gallon.
- Motor oil is a hazardous material can be returned to any parts store.
- Tires - Not accepted and if found there will be a \$30 charge per tire and we will not return them!
- Freon-loaded items and other appliances - Not Accepted. Examples: refrigerators, freezers, & dehumidifiers, stove/oven, dishwasher etc. If these items are found in the bin there will be a charge of \$60 per unit!
- Biomedical waste, Radioactive, Hazardous, and PCM waste- None of these items are accepted. You will need to contact the EPA.
- **LEVEL LOADS ONLY!!** Overloaded dumpsters will not be hauled and return trip fee of \$75 will applied to the cost of the service (plus \$20 additional day service); we will return when the items have been removed. This is a law and it is only safe to haul secure loads.
- No hot ash, coal, or any items that were once on fire and have not had ample time to fully extinguish.

* If you have any of these items contact us for loading instructions.

** If you are disposing of shingles or the dumpster is for a shingle job contact us, they can haul and recycled.

We automatically schedule the pickup of the dumpster; it is your responsibility to contact Bin There Dump That 2 business days prior to the pickup day if you needed longer. If you do not call there is chance that we have already reserved the bin for another customer.

On the day of pickup if we show up to pick it up and it is unavailable or blocked in a charged a minimum trip fee of \$75 and any additional day charges (\$15 per). Remember not to block in the dumpster the day of pick up. We do start picking up bins at 6 am.

If you have requested the dumpster to be placed on your lawn or landscape the truck and/or dumpster could cause significant damage & additional day charges (\$15 per day) if it cannot be removed due to rain, obstructions, or natural causes. Bin There Dump That is not responsible for any damage.

Rates are based on agreed upon invoicing. If you need past the agreed upon rental period, each additional day is \$15. We do not have set times for pickup or delivery. If you have any questions or special request regarding pick up times call us.

For Construction Debris Rates: The 10 cubic yard dumpster includes 2 tons (4,000 lbs), 15 cubic yard dumpster includes 3 tons (6,000 lbs), and the 20 cubic yard dumpster includes 4 tons (8,000 lbs) of debris. No dumpster can be loaded with more than 4 tons. Addition cost per ton over is prorated at \$60.

For HouseHold Debris Rates: The 10 cubic yard dumpster includes 1 ton (2,000 lbs), 15 cubic yard dumpster includes 1.5 tons (3,000 lbs, and the 20 cubic yard dumpster includes 2 tons (4,000 lbs) of debris. No dumpster can be loaded with more than 4 tons. Additional cost per ton over is prorated at \$60.

You are responsible for any damage done to the dumpster; besides normal wear. The following is not considered normal wear, but is not limited to: burn marks, machinery or vehicle damage, paint/graffiti, holes, large dents, and etc.

It is important to note that loading a dumpster can pose certain hazards due to the potential of shifting debris. Extreme care should always be taken as the material accumulates inside the bin. Young children should never be permitted to stand, jump on or play inside a partially or fully loaded dumpster.

If you have any questions call us at 321-405-2838 or by email Orlando@BinThereDumpThat.com.

Thank You for your business and happy loading!!
